

What really happens in Rehab? Does treatment work?

*Alcoholics can't be helped!
Addicts **all** relapse again!
Spending time and money on the
substance dependent is a waste!*

If this is the way you think, then don't miss this enlightening morning.

Elim Clinic has celebrated 50 years of existence in 2008 - with more than 50 years of experience in working with addiction problems, we would like to share the real facts with you.
